

Technology Agreement

I have read and understood the following school policies relating to ICT use within the **Student Code of Conduct**:

- **Use of mobile phones and other devices by students**
- **Acceptable use of ICT services, facilities and devices**

I am aware that non-compliance or irresponsible behaviour, as per this agreement and the school's associated **Student Code of Conduct** will result in consequences relative to the behaviour which may include loss of Internet access for some time.

I understand that as a parent I have the obligation to complete the **Online Services Consent Survey** at enrolment and at the commencement of Senior Secondary (Year 10).

The purpose of the Online Services Consent Survey is to gain consent for student use of websites in the day-to-day schooling at Cleveland District State High School. A link to the online services consent survey is emailed to parents and completed via an online platform.

All policy documents mentioned on this form can be accessed on the school website:

More information on the **Online Services Consent Survey** can be found on the school's **Bring Your Own Device (BYOD)** web page:
